Hi Andrew,

Was good talking earlier pursuant to 26(f). I'll try to update the scheduling order and file it before 4pm.

Just a couple of other items:

1. Below are is an email from my client setting forth the multiple attempts by your client to contact her (and her daughter) yesterday. Please reiterate to your client to run all communications via counsel. My client has asked me to also raise this at our conference with the court today.

2. Neither Kevin Murphy nor I could locate any attachment to your client's email earlier this week showing when the images were taken down. As discussed, feel free to send through.

Regards,
Chris
